

Ponder's Summer Reading Challenge

Goal: Read 40 books this summer!

Each  represents 1 book. Every time you read a book, color in one sun. When you color all the suns, have your parent sign this sheet, and return it to Mrs. Campbell, the librarian, when school starts in August for you to be invited to our Summer Reading Celebration!

Student Name:

Parent Name:

A special thank you to the Alice Ponder Elementary PTA for partnering with our school to provide Accelerated Reader for our students.

Summer Reading!

Keeping the FUN in summer reading!

Fun in the Sun Reading!

Dear Parents,

Your child has worked very hard this school year! According to research, students who do not read over the summer can lose **up to three months of reading progress**.*

You can help prevent this summer reading loss by encouraging your child to read over the summer. Try to read something everyday, whether it's a book, magazine, or comic book, and be sure to read out loud with your child. Every word counts!

*Research from Reading Rockets
